August 2015

No 8

Hi Gear Heads,

We had a good "Gear Head" representation at the "Rosewood Villa" retirement home car show on July 24th. Unfortunately it ended up raining and we couldn't share our cars with as many residents as we would have liked to. Rosewood management are great hosts to us car enthusiasts and treat us all like rock stars, really appreciative of us coming to their show to share our rides and listen to stories from the residents. Even with the rain, a good time was had by all.

On Aug. 14th, Scott Calkins and Walt Johnson presented Mike Cohen of the Bellingham Food Bank with a check for \$500.00 from the Gear Heads. Last month the \$510.00 donation went to the Whatcom County Humane Society. Again, be proud to be a "Gear Head" and a contributor to our community. These donations are from our Fathers Day car show at Bellewood Acres. We hope to make 2 more donations in the near future, we will keep you posted as to where those will go.

On Aug.16 the Gear Heads made a road run to the "Rock fish Grill" in Anacortes. Many of our members have said they would rather cruise than "show" their cars, so we are going to try to do more cruising as the weather allows. These might be last minute notifications so watch for upcoming notices.

Don't forget to mark your calendars for Sept.19, 10am to meet at the Sehome Village" parking lot for our three garage (museum like) tour to the Marysville area. This is a must see for those of you who missed it last time. Last time it rained some and we did not have a good turnout of our cars, so hopefully, this time we can show off our rides to our gracious hosts who would like to see what we are driving. This is really a great bunch of guys, Don't Miss It !!!!

Be sure to visit our website for more pictures and upcoming events in the area.

Hope to see you soon
Walt Johnson

Our next Board Meeting will be Wednesday September 2nd. Everyone is welcome to attend the meetings at the Hilltop at 10:00am
