### **Old Business**

#### **New business discussion:**

Discussed doing future clothing orders once a year in the spring, and possibly including car show shirts. We also discussed increasing the entry fee for next year's car show to \$15.00.

A suggestion was made to publish the current clothing inventory for sale in each newsletter.

Garage tours are in the works for the next few months.

The board voted and approved an increase in the annual dues renewal to \$25.00, only for the members who receive the hard copy snail mail newsletters (currently 8 members) in order to cover the cost of postage, ink and time. The annual renewal for members who receive the newsletter via e-mail is \$20.00.
