

Presidents Message

Hey Gear Heads,

Well we are drawing near the end of rodding/cruising season, and I am glad to report that after missing most of the show and cruising season that our own Jim Rothenbueller FINALLY got his gorgeous 33 Cabriolet back from the upholstery shop. His car looks great and Jim is looking forward to showing and cruising it next year.

Don't forget our 3 garage tour to the Marysville area coming up on Sept. 19th. We will meet at Sehome Village at the south end of Haggens parking lot at 10 am. Sept. 19th. This is an all day cruise, so you might want to bring a bite to eat during the day. Weather permitting, drive your old rides, our hosts are looking forward to seeing what we are driving.

At our last board meeting we discussed the next charity we want to contribute to. We want the donation to help local charities and we have received some very good ideas. Our next donation will be announced in our next newsletter.

We have had some of our members suffer great loses in their families recently. Always remember that when you see another member to treat them well, you never know what they might be going through and your smile and caring may make their day!

Hope to see you on the 19th,
Walt Johnson

Upcoming Events

- Sept 12th—Fall Rod Run in Ferndale
- Sept 13th—Founders Day in Sedro Woolley
- Sept 27th—Classic & Hot Rod Show in Snohomish
