Gear Heads Garage tour:

January 27th (Saturday). Leaving Bellingham around 10:00AM from the south end of the parking lot at Haggen's Sehome Village Center 210 36th St. Bellingham, WA.

A friend of Gary Wickers passed away last year. He was a longtime member of a car club in Mt. Vernon. His wife has three buildings full of car stuff that she is looking to get rid of. She does have a couple cars but most of the stuff is car parts, signs, a huge assortment of license plates and some tools.

We will travel down as a group and probably spend a couple hours there. It is just on the south side of Mt Vernon. For those that want, we may stop on our way back somewhere to have lunch. I will update you as we get closer to the date on any additional details.
